ANNEX

Certificate

C6163MSA/R3 dated 2024-08-08

The information leaflet (instructions for use) for the specified eye protection product must be written in the official language of the country of destination and include, among other things, the following details of the Notified Body:

DIN CERTCO Gesellschaft für
Konformitätsbewertung mbH
Alboinstraße 56
12103 BERLIN
GERMANY
Identification number of the Notified Body: 0196

As far as possible, the product must be marked with a type, batch or serial number or other element allowing its identification.

As far as possible, the product must be marked with the name and postal address of the manufacturer or, if the manufacturer is not based in the European Economic Area, the name and contact address of an authorised representative or importer based in the European Economic Area.

The product or its packaging must be indelibly and unambiguously marked with the month and year of manufacture and/or the month and year of obsolescence.

The product must be marked with the identification number of the Notified Body monitoring the product in accordance with Annex VII (Module C2) or VII (Module D) of Regulation (EU) 2016/425.

This EU Type-Examination Certificate shall only be used in conjunction with one of the conformity assessment procedures referred to Regulation (EU) 2016/425 Article 19 in point c.

All changes to the product, the technical documents or to the quality assurance system must be notified to DIN CERTCO in writing.

The General Terms and Conditions of DIN CERTCO apply.
